

Natural and Non-Toxic Treatment Products and Services Jolis Cheveux™ by LTC®

(1)

Treatment Shampoo (8 oz)- Our pediatrician-formulated, lice treatment shampoo is the first step in addressing head lice; extremely effective and made from organic ingredients, including cinnamon, lavender, tea tree oil, and peppermint. **\$18.00**

(2)

Treatment Conditioner (8 oz)- Designed as a companion product to use with our Treatment Shampoo; our Treatment Conditioner is pediatrician-formulated and provides an extra layer of protection against lice and their nits (eggs). **\$18.00**

(3)

Hair and Scalp Treatment Oil (8 oz)- The final step in our lice treatment system, applied to hair and scalp following applications of Treatment Shampoo and Conditioner and after removal of lice and nits. This potent recipe is made from organic ingredients and eliminates any remaining live bugs that could lay eggs. **\$18.00**

(4)

Professional Nit-Removal Comb– by LTC ®- Part of our multi-stage removal system, the comb is used to remove live lice and their nits (eggs) following applications of Jolis Cheveux™ treatment shampoo and conditioner. The comb's fine-tooth design facilitates removal of nits and bugs.
